

Claudia Jessen-Trefzer, Dr.

Institution: Faculty of Chemistry and Pharmacy, Albertstrasse 21, 79104 Freiburg i.Br.
Contact: Tel: 0761 203 6074, Email: claudia.jessen-trefzer@pharmazie.uni-freiburg.de
Position: A13, Akademische Rätin

ACADEMIC EDUCATION INCLUDING ACADEMIC DEGREES

08/08/2008 Diploma in Chemistry, Institute of Organic Chemistry, University of Konstanz, Germany, thesis with Prof. Dr. Andreas Marx

SCIENTIFIC GRADUATION

17/08/2012 PhD, Doctor of Science, Institute of Organic Chemistry, EPFL, Switzerland, thesis with Prof. Dr. Kai Johnsson

EMPLOYMENT

04/2020 – A13, Akademische Rätin, Faculty of Chemistry and Pharmacy, University of Freiburg
10/2015 – 03/2020 Junior Group Leader, Faculty of Chemistry and Pharmacy, University of Freiburg
06/2015 – 09/2015 Postdoctoral Scientist, Institute of Organic Chemistry, University of Zurich, Switzerland, with Prof. Dr. Cristina Nevado
06/2014 – 04/2015 Study Director Biocompatibility, DePuy Synthes GmbH – Companies of Johnson & Johnson, Oberdorf BL, Switzerland
11/2012 – 05/2014 Postdoctoral Scientist, CeMM – Center for Molecular Medicine, Vienna, Austria, with Prof. Dr. Giulio Superti-Furga

OTHER ACTIVITIES, AWARDS AND HONOURS

2021 – Adjunct member of BIOSS (Center for Biological Signaling Studies) Freiburg, Germany
2020 – Principal Investigator within the Research Training Group RTG2202 “Transport across and into membranes”, University of Freiburg
2019 Maria Gräfin von Linden Award 2019, VBWW – Stuttgart, Germany
2019 Eugen-Graetz-Award 2019 for Young Investigators – University of Freiburg, Germany
2019 – 2020 CORA - Coaching Women in Science – University of Freiburg, Germany
2018 Founding member – Academia Meets Industry Freiburg e.V. – Creating networks between pharmacy students and pharmaceutical industry
2017 – Member of the Faculty as equal opportunity officer, Faculty of Chemistry and Pharmacy, University of Freiburg, Germany
2015 – Member of the German Pharmaceutical Society (DPhG)
2012 – 2014 Postdoc Mobility Grant – SNF, Switzerland
2007 Outgoing Fellowship – DAAD, University of Durham, United Kingdom
