

Curriculum Vitae

Personal Data

Title	Prof Dr
First name	Anne-Kathrin
Name	Classen
Current position	W3 Heisenberg Professorship 'Collective signaling dynamics in multicellular systems'
Current institution	University of Freiburg Faculty of Biology, Excellence Cluster CIBSS Habsburger Strasse 49 79104 Freiburg im Breisgau
Identifiers/ORCID	0000-0001-5157-0749

Qualifications and Career

Stages	Periods	Details
Degree programme	2000-2002	Master of Science (MSc) in Biomolecular Sciences, <i>With Distinction</i> The University of Amsterdam, Netherlands
	1997-2000	Bachelor of Science (BSc) in Cell Biology, <i>First Class Honors</i> The University of Manchester, UK
Doctorate	2002-2006	PhD in Biology (Dr. rer. nat.), <i>summa cum laude</i> Max Planck Institute of Molecular Cell Biology and Genetics and Technical University Dresden, Germany Mentor: Prof. Suzanne Eaton
Academic career	since April 1 st , 2022	W3 Heisenberg Professorship for 'Collective signaling dynamics in multicellular systems' University of Freiburg, Germany
	2020-2022	Research Group Leader, DFG Heisenberg Programme University of Freiburg, Germany
	2017-2020	Research Group Leader, Boehringer Ingelheim Foundation Plus3 Programme University of Freiburg, Germany
	2017	Interim Professorship 'Cell Biology' University of Freiburg, Germany
	2011-2016	Research Group Leader, DFG Emmy Noether Programme Ludwig Maximilians University Munich, Germany
	2006-2011	JCCMF Postdoctoral fellow University of California at Berkeley, USA Mentor: Prof. David Bilder

Engagement in the Research System

Current positions in committees and academic self-governance

Excellence Cluster ,Centre for Integrative Biological Signalling Studies (CIBSS)' (since 2017)
Member of Executive Board and the Core Strategy Team, Research Area Coordinator (Area B)
Chair of the Career Development Committee and Launchpad Programme
Chair of the Equal Opportunity and Diversity Committee

Spemann Graduate School of Biology and Medicine (SGBM)
Elected Director of SGBM (since 2022)
Member of the SGBM Executive Board (since 2021)

Faculty of Biology at the University of Freiburg
Member of the Faculty PhD Committee (Promotionsausschuss, since 2022)
Ombuds Officer for doctoral candidates and supervisors (since 2022)

Rectorate of the University of Freiburg
Appointed member of the university 'Research Strategy Board' (2019-2022)
Member of the university work group ,Mission Statement' (Leitbild) (2022-2023)
Member of the university work group ,Central Graduate School' (Dachgraduiertenschule) (2023)
