

Bettina Warscheid, Prof. Dr.

* 20.08.1971, female, German

Institution: Institute of Biology II; University of Freiburg, Schänzlestr. 1, 79104 Freiburg
Contact: Phone: +49-761-203-2690, Email: bettina.warscheid@biologie.uni-freiburg.de
Position: Full Professor (W3) for Biochemistry and Functional Proteomics

Academic education including academic degrees

1991 – 1997 Study of Chemistry, TU Dortmund and Leiden University (NL), Diploma

Scientific graduation

1997 – 2002 PhD, Analytical Chemistry, Leibniz-Institute of Analytical Sciences, Technical University Dortmund

Employment

Since 2010 Full Professor (W3) for Biochemistry and Functional Proteomics, Faculty of Biology, University of Freiburg
2009 – 2010 Professor (W2) for Clinical and Cellular Proteomics, Medical Faculty and Centre for Medical Biotechnology, University of Duisburg-Essen
2004 – 2009 Junior-Professor (W1) for Protein Mass Spectrometry, Molecular Medicine, Medical Faculty, University of Bochum
2003 – 2010 Group leader, Medical Proteome-Centre, University of Bochum
2002 – 2003 Postdoctoral Research Fellow, University of Maryland, College Park and Johns Hopkins University, School of Medicine, Baltimore, MD, USA

Other activities, awards and honours

Since 2019 Principle Investigator and Steering Board Member of the Excellence Cluster CIBSS Centre for Integrative Biological Signalling Studies, Coordinator of area CIBSS-D 'Integrative Signalling Technologies'
Since 2019 Principle Investigator of the SFB 1381 'Dynamic Organization of Cellular Protein Machineries: From Biogenesis and Modular Assembly to Function'.
2018 – 2019 Vice Dean of the Faculty of Biology, University of Freiburg
Since 2017 Vice-President of the 'German Society of Proteome Research' (DGPF)
2016 – 2018 Dean of the Faculty of Biology, University of Freiburg
2016 – 2018 Member of the Senate, University of Freiburg
2014 – 2016 Dean of Student Affairs, Faculty of Biology, University of Freiburg
Since 2013 Principal investigator, TRR 130 'B Cells: Immunity and Autoimmunity'
Since 2011 Principal investigator of the 'Spemann Graduate School of Biology and Medicine' (SGBM), University of Freiburg
2010 – 2020 Steering Board Member of the Excellence Cluster BIOS Centre for Biological Signalling Studies
Since 2010 Principle Investigator of the Excellence Cluster BIOS
2010 Innovative research project award, Structural and Innovation Fond for Research (SI-BW), a program to support top engagements by the Ministry of Science, Research and the Arts Baden-Württemberg
2002 – 2003 DFG Fellowship for research in the laboratories of Prof. Catherine Fenselau at the University of Maryland, College Park, MD, and Prof. Robert Cotter at the Johns Hopkins University, School of Medicine, Baltimore, MD, USA
1996 Undergraduate studies fellowship from the German Academic Exchange Program for research stay at Leiden University, NL
